Dear Parents and Students,

Greetings of the Day to Everyone

At Sri Gosalites Medical Academy, our teaching team has over 20 years of collective experience in diverse educational institutions. They stand as the driving force behind the success of more than 4000 doctors in the two Telugu-speaking states before inception. Our commitment doesn't end there, we operate as a united and dedicated team, relentlessly striving to provide quality education and contribute to the growing number of successful doctors and medical professionals. As proof we are proudly saying that around 3000 medical seats are secured just from 3 batches after inception.

EXPERIENCE EXCELLENCE - THE FACULTY APPROACH, WHERE EVERY STUDENT SHINES

At Sri Gosalites, we firmly believe in the direct correlation between a student's success and the experience, efforts, and approach of their teachers. Our team of highly experienced and dynamic faculty serves as the driving force behind our students' achievements, ensuring success in both their academic journeys and future careers. With approximately two decades of collective experience in medical entrance coaching, our dedicated teaching team tirelessly works towards helping students attain top ranks. Our faculty, also serving as academic directors at Sri Gosalites, have guided thousands of students to realize their dreams and secure top NEET rankings. They engage with students, address and clear their doubts, and consistently provide motivation, removing their fears. Our unique results and solid achievements stand as a shining testimony to their supreme dedication.

RESEARCH-BASED TEACHING FOR EVERY LEARNING PACE

Students possess varying learning speeds, some grasp subjects immediately, while others may take a bit longer. Unlike certain educational institutions that categorize students as either merit or average and provide distinct training, we, at Sri Gosalites, treat all students equally. Every student's success holds equal importance to us. Our holistic teaching approach ensures personalized attention for each student, and we organize batches based on their learning pace. **Expert same senior teaching faculty from each subject delivers consistent coaching to all students, tailoring it to their individual understanding levels, from the first section to the last, which is the unique feature of Sri Gosalites.** we strive for the day when every student at Sri Gosalites secures a medical seat, considering it the ultimate measure of our success.

WE MAKE SUBJECTS CRYSTAL CLEAR - SIMPLE TO UNDERSTAND

We don't encourage mugging or simply memorization of the answers. Instead, we focus on helping our students grasp concepts thoroughly. We have confidence in the fact that students who truly understand and are well-versed in their subjects achieve higher ranks in exams. This also removes their fears, phobias and exam anxiety. This complete understanding enables them to approach questions with mindfulness. At Sri Gosalites, we have incorporated technological advancements hand-in-hand. Proudly standing as the one and only 100% digitized educational institution across both Telugu states, our classrooms feature projectors and our staff has expertly utilized smart boards for teaching since day one, without hesitation.

ENRICHING MINDS IN ADVANCED CLASSROOMS

Creating a pleasing and suitable learning environment is essential for students' complete involvement in studies and concentration. At Sri Gosalites, we have the best solution, by providing spacious, well-ventilated classrooms equipped with air conditioners to give our students a comfortable study atmosphere. Our daily study hours, guided by senior faculty, include timely doubt resolution, instilling confidence in students as they progress towards success. Moreover, we actively work to maintain a positive mindset among students, encouraging them to avoid stress associated with nationwide competitive examinations. By creating a pleasant and motivating atmosphere, we aim to enhance the overall well-being of our students during their academic journey.

EQUIPPED FOR EXCELLENCE
STATE-OF-THE-ART LAB

Sri Gosalites Medical Academy possesses a state-of-the-art laboratory for hands-on practical learning in Physics, Chemistry, and Biology. Our special feature is conducting practical experiments for students from their very first year itself, enhancing their understanding and clarity of each topic through practical experience.

COZY & SECURE HOSTELS

Leaving home after growing up with parents can be challenging for students. To ease this transition, we provide secure and cozy residential facilities for all our students, offering a homely atmosphere in our hostels. Separate accommodations for boys and girls come with dedicated caretakers. Our cafeterias offer nutritious meals, promoting overall well-being. Additionally, a specialized medical care unit on our campus ensures the health and safety of our students.
